VITA

Miss Wanida Munbunjong was born on November 13, 1975 in Bangkok Province, Thailand. She received a Bachelor and Master Degree of Science in Chemistry from Chulalongkorn University in 1998 and 2001. Since then, she has been a graduate student studying Organic Chemistry as her major course at Chulalongkorn University. During her studies towards the Doctor Philosophy's Degree, she was awarded a teaching assistant scholarship by the Faculty of Science during 2001-2003 and was supported by the Thailand Research Fund for the 2004 Royal Golden Jubilee Ph.D. program.

Her present address is 1451 Onnuch Road, Suan Luang, Suan Luang, Bangkok 10250, Tel. 06-8964979.
