## CURRICULUM VITAE

**Name:** Ms. Supitcha Rinprasertmeechai

**Date of Birth:** December 24, 1987

**Nationality:** Thai

**University Education:**

2006-2010 Bachelor Degree of Science, Department of Chemical Technology, Faculty of Science, Chulalongkorn University, Bangkok, Thailand

**Working Experience:**

March-May 2008 Position: Student Internship

Company name: J. M. silber Thailand

**Proceedings:**

1. Rinprasertmeechai, S., Chavadej, S., Rangsunvigit, P., and Kulprathipanja, S. (2012, April 24) Carbon Dioxide Removal from Flue Gas Using Amine-Based Hybrid Solvent Absorption. Proceedings of The 3<sup>rd</sup> Research Symposium on Petroleum, Petrochemicals, and Advanced Materials and The 18<sup>th</sup> PPC Symposium on Petroleum, Petrochemicals, and Polymers, Bangkok, Thailand.
