Miss Pairat Srechainate was born on February 12, 1988 in Bangkok Thailand. She received her Bachelor degree of Science in Chemistry from Chulalongkorn University in 2010. After that, she has been a graduate student at the Department of Chemistry Chulalongkorn University and a member of Environmental Analysis Research Unit (EARU). She finished her postgraduate study with the Master Degree of Science in Chemistry in 2014. Her present address in 30/20 Moo 5, Phetkaseam Road, Omnoi Sub-district, Krathumbaen District, Samutsakhon, Thailand, 74130. Contact number is 085-1610668. E-mail:grape_k@hotmail.com.
